Engaging in Service

This month we celebrate Pentecost, the day the Holy Spirit rushed into the souls of the disciples and formed the Christian community after Jesus ascended to heaven. Convinced their own lives depended on sharing the Gospel, the disciples took great risks to spread God's word. Because of each member's commitment to Christ's vision of life, the early church rocked the world with love and began a movement that would forever change the course of history.

Like the first disciples, we are called to fulfill Christ's vision. Given the location of our building, we are blessed to serve a diverse population. When we share the Spirit that Christ generously pours into our hearts, we grow in faith and become fully alive. Come grow with us this month as we commit to Christ's vision for our lives. God might just rock our little corner of the world with love!

OHPC GROWS IN LOVE

If a picture speaks a thousand words, these photos tell a wonderful story of new life at Oak Hills Presbyterian Church.

We are growing in faith, diversity, and love as we seek to fulfill Christ's vision for OHPC!
